THAILAND'S UNDISCOVERED PARADISE

Trang is one of Thailand's most beautiful regions, with its unspoilt charm ready to welcome discerning travellers. The stylish and elegant Amari Trang Beach Resort, offering five star comfort, is located on Changlang Beach, a short drive from both Krabi and Trang airports. Framed by whispering casurina trees and a backdrop of beckoning tropical islands, the resort is a sun worshiper's paradise.

The resort has stunning views of the nearby islands.

PRESTIGE AND STYLE

The 138 luxurious sea-facing superior, deluxe and suite rooms blend innovative and luxurious design. All the rooms have a balcony with spectacular views. Plus, the sliding glass panel which opens up the bathroom, to make it part of the room, gives an even more spacious feeling.

All the stylish rooms are sea-facing

Crabs & Co Terrace is a great place to relax over dinner.

DELICIOUS DINING

The relaxed atmosphere of Vistas and its outside terrace, makes it an ideal place to enjoy a luxurious long breakfast or lunch. The stylish Acqua is a delightful place to sample Italian cuisine and the bright, fun decor of Crabs & Co is as much a talking point as the Thai and seafood delicacies. Linger over a cocktail at the Sunset Bar or listen to live music every night at The Beach House.

On some evenings, there are special themed dinners with live entertainment.

Guests can watch the chefs preparing the Italian specialities in Acqua.

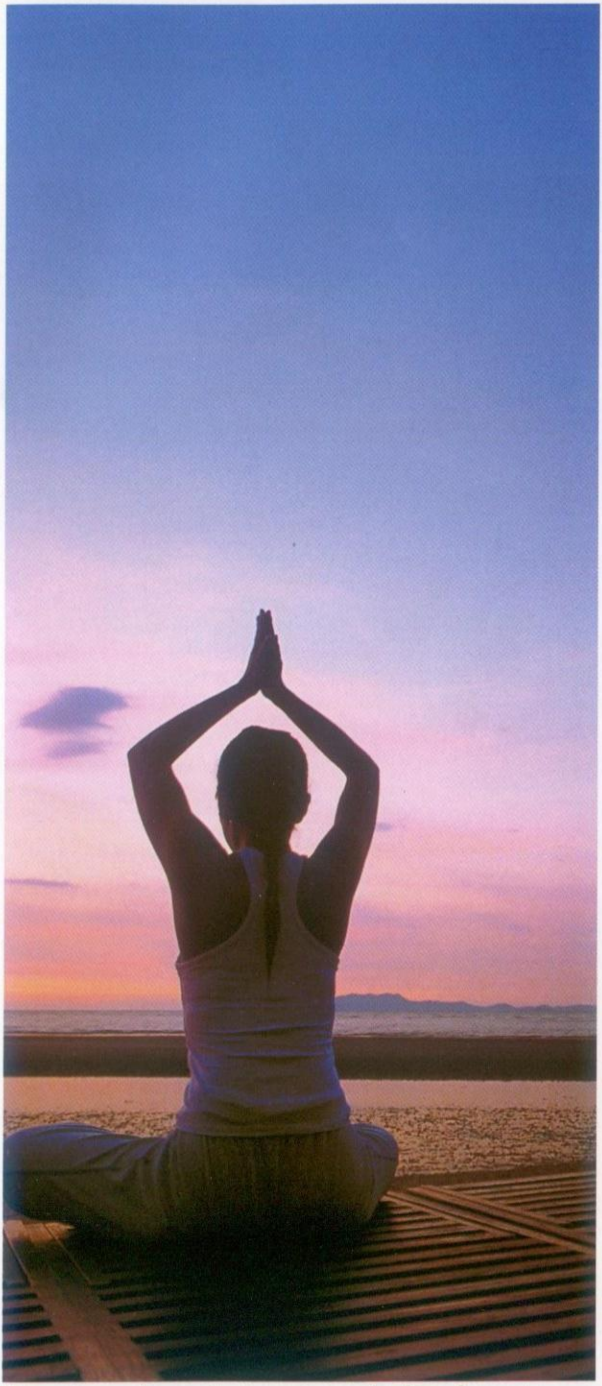

Kilometres of beautiful beach as far as the eye can see.

ENJOY THE GOOD LIFE

Daily activities at the resort range from early morning tai chi and yoga, to kayaking in the nearby mangrove forests or cycling through sleepy fishing villages and rubber plantations.

The Sivara Spa is an oasis of calm surrounded by tranquil water ponds. Enjoy a full range of massages, body treatments and facials in one of the private treatment rooms.

Experience dramatic sunsets on the beach.

Life carries on as it has for decades in a nearby fishing village.

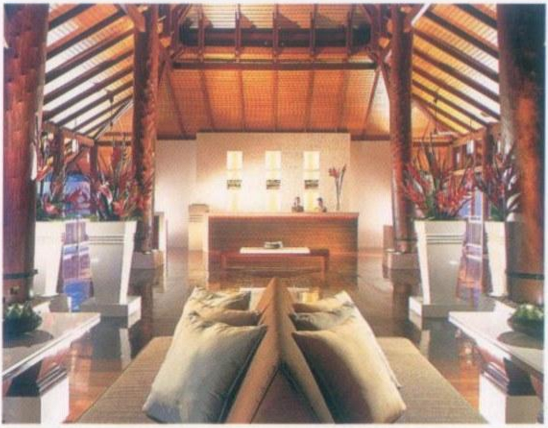

EXPLORING TRANG PROVINCE

Trang province offers a huge range of sightseeing options. Aside from the sparkling 'Robinson Crusoe' islands, only a short ride in the resort's private boat, the mainland offers a wealth of attractions. These include high mountains, interesting caves, glittering temples, colourful festivals, plus the opportunity to see many species of bird, marine and animal life.

Trang province is also renowned for its excellent dive sites and the resort's Dive Centre can arrange excursions to these for experienced divers, as well as PADI certification for beginners.
